Dear Jose,

CERTIFICATE

We hereby certify that the company SERMAQSIL in Ecuador is to date the only authorized distributor of Asphalt Drum Mixers, Inc., ADM, therefore they are our representative and are qualified to sell the asphalt plants, spare parts and provide the necessary technical service.

By making this decision we hope to eliminate the poor attention to customers and bring them better quality service, ADM has been pleased with your side assistance when working alongside of our technicians and are confident that SERMAQSIL will continue to provide outstanding service to our customers in the future

Best regards,
